## About B.Voc Programme

Bachelor of Vocation (B.Voc.) is a three-year undergraduate degree course, available in several fields for students who have completed their 12th standard or equivalent. The University Grants Commission (UGC), in 2013, introduced Bachelor of Vocation, commonly known as B.Voc degree programme with multiple entry and exit points. The focus of this programme is to provide students with in-depth knowledge of practical aspects to handle the complexities of tasks in the real work environment. B.Voc. courses are considered to be a new generation training programme which emphasizes on industry practices and are carefully designed in consultation with industries/employers with an objective to make students industry-ready.
